

## Empower Your Parish Cemeteries!

### What the Diocese can do:

- + Create & add new parish cemeteries on demand
- + View all cemetery metrics on the live dashboard
- + Compare stats such as graves sold per cemetery
- + Hold every user accountable with a detailed activity log
- + Unlimited, user-based roles
- + Empower small cemeteries
- + Set standards moving forward

### What parish cemeteries can do:

- + Keep all records digitally grave & owner
- + Use standardized, automated documents
- + Upload existing historical documents
- + Automate workflow processes like work orders & deeds
- + Save time & money with automation that has never been available to smaller cemeteries before

### What ParishADMIN can do:

- + Accommodate growth
- + Update data in real time on the dashboard
- + Create proper workflow & foster good behaviors
- + Manage all relative data through account-centric records
- + Back up data in multiple locations
- + Can be used anywhere, on any device

### Extender Modules:

- + Automate billing
- + Process credit cards
- + Migrate existing database
- + Map the cemetery graves
- + Increase sales
- + Generate new revenue
- + Increase community involvement

# ParishADMIN

Empower Your Parish Cemeteries!

- 1 Efficient one-up parish setup & on-boarding process.
- 2 Clean user interface - minimize redundancy through straightforward, simple navigation.
- 3 Analyze industry trends & parish specific metrics.
- 4 One click instant drill down to any parish cemetery. Intuitive visual access point.
- 5 Custom widgets available.
- 6 Task management & accountability per user.
- 7 Automated notifications.
- 8 Comprehensive inventory management of property.
- 8 Total interments by time.
